[redacted] Military shipments [redacted]

25X1

25X1

[redacted] on 13 and 16 August included: a train of 6 boxcars, 12 flatcars and 20 gondola cars with artillery pieces from Fuerstenwalde to Eggesin on 13 August; and a train of 6 boxcars and 27 flatcars with artillery pieces from Fuerstenwalde to Pasewalk on 16 August. **

25X1

25X1

[redacted] Comment. The shipments of artillery pieces reported in paragraphs 2 and 3 probably are connected with the trains which were previously observed carrying Volkspolizei to the same area. [redacted]

25X1

25X1

[redacted] The 1st VP corps or army is rumored to have been activated in the north-eastern part of Mecklenburg. Therefore, it may be assumed that the VPT's stationed in this area are given priority with regard to personnel replacements and equipment. [redacted]
